## Language

English - A2

Russian - B2

Armenian - C2

## EDUCATION

### ● 2015 - 2019

National Polytechnic University of Armenia  
NPUA/Bachelor

## EXPERIENCE

### ● 2023

Intern Developer Vue JS at AmBrain

### ● 2023

SQL & React(working on a real project  
Team Energy) Developer at Team Telecom

### ● 2024(Feb) - Present(Picsart Academy, Web Startup)

- Participating in the development of a web platform that helps users find all businesses and services within the territory of Armenia.
- Collaborating with an interdisciplinary team, including developers, designers, and project managers.
- Collecting and analyzing data to optimize the user experience.

### ● 2024(June) - Present

I work remotely on a CRM project for a credit company using React, Redux Toolkit, JSS and other technologies. This project gave me valuable experience in frontend development and the ability to quickly solve problems.
